Q-1) Read this poem and answer the questions:-

The Sun has set. It's almost dark.
I look outside and see a spark.
Then there are more sparks.
Now I know those sparks are lightning bugs that glow.
I find a jar to take outside.
I'll put some lightning bugs inside.
Dad pokes holes in the lid with care.
The holes give lightning bugs some air.
I wait for lightning bugs to land,
And catch them with my hand.
Inside the jar, they flash and glow.
I lift the lid and watch them go,
For lightning bugs are not keep.
'And now', Dad says, 'it's time to sleep.'
